

Marriage

M

*Man & Woman commit for a relationship for a loving future
Members of two families come together to become relatives
Many people, near and dear, come to give their blessings
Mantras under the mandap make the two souls a couple.*

A

*Arranged or otherwise, it's always love at first sight
Armed with bountiful of feelings, date to understand each other
Analyzing, checking and discussing, whether they got it right
All to make sure they got the soulmate they are looking for.*

R

*Rainy or summer, winter or spring the bond shouldn't wither
Ready to make the union work with adjustments and promises
Rising above the individuality to accept one another
Rings are exchanged with committed vows from their hearts.*

R

*Road to happy life together needs trust and understanding
Radiate positiveness with love and clear communication
Reactions that are quick without thinking deteriorates the situation
Retake the vows with frank discussions to strengthen the bonding.*

I

*Ignore not any cracks in the relation that are developing
Imagine not about characterizations that doesn't exist
Incorporate practices that are comfortable and builds trust
Interdependence is integral to married happy living.*

A

*Accept that you will have a soulmate in your private life
Accept that you have another set of parents to take care
Accept the responsibility to bear and groom your kids
Accept your life becomes full by getting another half into yours.*

G

*Given is nothing to build a happy life together
Generate the vibes to make the environment happier
Glitches are normal and deal with them immediately
God is always there with you giving blessings suitably.*

E

*Every moment is precious, enjoy it together completely
Every day is a fresh day, fill it with unforgettable memories
Every opportunity to demonstrate love, grab it heartfully
Everlasting, the happiness and love with a lifetime of goodies.*
