

## Paris Olympics 2024

*Olympics, the biggest sporting event in the world  
Where participation itself is a great achievement  
Everyone competing to win the ultimate Medal of Gold  
Aiming for a podium finish to make the nation proud, at the least.*

*While for the sportspersons it's the biggest stage  
For the sports enthusiasts it's an opportunity of a lifetime  
To watch the intensity and performances that are precise  
Cheering their athletes and the best crossing the medal winning line.*

*The experience of sitting in the top class stadia is amazing  
Watching the sports live with the noise of the crowd is unforgettable  
At the hits and misses of the game the crowd is on a mood swing  
Waving the hands and flags with ecstasy when in line of the camera's eye.*

*Being in Roland Garros for the tennis is a great feeling  
The venue of French Open Grand Slam on a clay court  
A tricky surface to play and realize the dreams of winning  
Seeing Alcaraz in action is something we can never forget.*

*Next is the badminton of women's singles and men's double  
Disappointed that our players were not there in action  
But nevertheless, what we saw were action packed and intense  
The speed, the skill and the energy are worth seeing in person.*

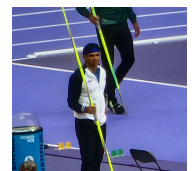

*Athletics in the main Olympics stadium is an unexplainable experience  
Huge crowd, the moving roar, the photo finishes, the show of lights  
The feeling is great for the enthusiastic participation and being there  
The races, the jumps, the throws, the hurdles bringing glory to the athletes.*

*Hockey, our national game was the sport to watch  
The flicks, the passes, the penalty corners, the goals  
It's a wonder to see from so near, the fast pace match  
Such a close encounter, we will remember, always.*

*Men's hundred meters final, the epic event in any Olympics  
Indian hockey team's semi-final with Germany and loosing closely  
Neeraj Chopra's Silver winning javelin throw at the games  
Are the three events we saw live, will be forever etched in our memory.*

*Overall, the experience of attending Olympics is unforgettable  
The competition we saw amongst the athletes is unimaginable  
The city of Paris, was all geared up with exceptional arrangements  
(Wo)Manned with lots of security staff and helpful volunteers.*

*Let the Olympics continue the journey with true sportsperson spirit - Girish Elchuri*
