*The dashing and daring hero
Who dared to dream to act in films
Dashed through all the hurdles
Though he started from ground zero.*

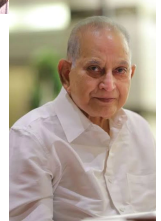

*He had a mind of his own
Not yielding to industry pressures
Followed his own path to success
One can rebel and survive, as he has shown.*

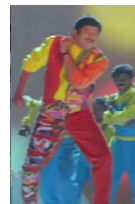

*He is an industry trendsetter
To his credit there are many firsts
Cinemascope, DTS, 70mm, Eastman Color,
Cowboy and James Bond kind of movies.*

*Had his share of problems and troubles
But never bowed to those situations
Tackled them boldly, all the issues
With a human touch and caring always.*

*He has his own unique acting styles
Fans are crazy for his screen performances
And the producers for all the returns
If the movie succeeds, if not the support he gives.*

Shooting in three demanding shifts - day and night
In one year, released a record number of 17 movies
All this to ensure industry people lead happy lives.*
