

Women's Day 2019

W

Womb

Our association with a woman starts in the womb
Our dependence on the woman begins in the womb
Our education, the first lessons are taught in the womb
In the process of our formation in the mother's womb.

O

Organize

Organizing is women's greatest strength
The efficiency with which they organize is amazing
To get things perfect, they go to any length
Without them, how to organize, you keep wondering.

M

Manage

They can manage any situation or in any situation
Innovation is the key for them being resourceful
If there is a woman managing, you have no tension
Because, within the constraints they will fulfill.

A

Avatars

Woman don many avatars in their lives
Daughter, Sister, Wife, Mother and many roles
They succeed in each of them with flying colors
Never expecting in return, any laurels.

N

Namaste

It's time we recognize their abilities and salute
To treat them with respect from the heart
Giving them the space they deserve, why not
You know their value, when you are missing one in your life.

Wishing All Wonderful Women on this Women's Day and Everyday
